

3rd INTERNATIONAL MULTI - CONFERENCE  
on  
“ACADEMIC RESEARCH IN ENGINEERING,  
MANAGEMENT AND INFORMATION TECHNOLOGY”  
(ICAREMIT-2018)

in association with  
BMS College of Engineering, Bangalore

February 17 – 19, 2018

Organized By

Department of Mechanical Engineering  
M. J. P. Rohilkhand University Bareilly - 243006  
Uttar Pradesh, India

### About Conference

The third International conference (ICAREMIT-2018) is being organized to bring together the researchers, scientists, academicians and industrialists in major areas of Engineering, Management and Information Technology needed for economic development of the country. The participants can share their experiences and research results about all aspect engineering and also to discuss the practical challenges encountered and the solutions adopted. The Conference covers a wide range of topics. The Departments of Mechanical Engineering invite research papers from all over the India to participate in the “3rd INTERNATIONAL MULTI- CONFERENCE ON ACADEMIC RESEARCH IN ENGINEERING, MANAGEMENT AND INFORMATION TECHNOLOGY (ICAREMIT-2018)” on the following scientific areas for presentations but are not limited to:

#### Engineering

- Electrical Engineering
- Electronics Engineering
- Instrumentation Engineering
- Industrial Engineering
- Mechanical Engineering
- Environmental Engineering
- Nano-Technology
- Material Science
- Genetic Engineering
- Materials and Metallurgical Engineering
- Chemical Engineering
- Engineering Economics
- Other Engineering Related Topics

#### International Education

- Accreditation and Quality Assurance
- Aligning Institutional Strategies with Emerging Trends
- Curriculum, Research and Development
- Framework for Developing Cultural and Global Competencies
- Pedagogy
- Inclusive Education and Practice
- Building and Retaining a More Diverse Community of Students
- Global Issues in Education and Research
- Effective, Sustainable, and Pervasive Global Agreements
- Business Education
- International Higher Education's: Bridging Research and Practice
- Learning/Teaching Methodologies and Assessment
- Strategies for Enhancing Campus Inclusion

#### Management

- Organizations Management
- Technology Management
- Production and Operations Management
- Project and Quality Management
- Supply Chain Management
- Decision Sciences
- Risk Analysis
- Contract Management
- Knowledge Management
- R&D Strategies
- Social Issues in Management
- Sustainable Development
- Ethics in Business, Government and NGOs
- Conceptual and Theoretical Aspects of Management
- Management in Emerging Economies
- Small Scale Business Management
- Emerging Sectors
- Competitiveness
- Leadership

## About University

M.J.P. Rohilkhand University (M.J.P.R.U) established in 1975 as an affiliating university. The university status was upgraded to affiliating-cum residential university in 1985 when the four teaching departments were established in the campus. Now, it has more than 450 affiliated colleges. The university has produced massive numbers of scholars and technocrats in various fields of Arts, Science, Technology and Management. With the faculty of Management, Engineering, Arts, Science, Law, Education, Technology the university has got success in every stream of Knowledge. In this modern era of technology leads everything; this was truly recognized by the university. The mission of the university is to promote, participation in higher education, which it regards as a democratic entitlement and to equip its students to make effective contributions to society and the economy.

## About Faculty of Engineering and Technology

Faculty of Engineering and Technology was established in 1995 with an aim to achieve technological excellence through innovation. It caters to the technical manpower requirements at various levels by adopting a new concept of modular system in imparting technical education with emphasis on practical training in industry. The departments of Mechanical Engineering was established in 1996, department offers Bachelor of Technology programme in Mechanical engineering. The department is actively involved in quality teaching and various research projects sponsored by the Institute as well as external agencies.

## Paper Submission

The authors should submit full length paper on Conference E-Mail ID ([icaremit2018mjpru@gmail.com](mailto:icaremit2018mjpru@gmail.com)). For more information refer University's website.
