M.J.P. Rohilkhand University, Bareilly (UP)

Technical Education Quality Improvement Programme

Induction Program

It is a noble attempt by FET MJPRU to help its first year students cope better with the University Education. In this program the Experts from BMS College of Engineering, Bangalore would be visiting our institute and provide valuable insights on the syllabus the students would be studying for the next two semesters.

The students would be introduced to concepts, the prerequisite knowledge to understand the current topic and the references students can go through to understand the subject better.

The students will also get chance to interact with the faculty from their respective department by this they will get to know the structure of the program and learn how to ace it. FET MJPRU also try to inculcate Universal Human Values and Professional Ethics (UHVPE) in its students through this program.

This program brings experts from various Industries into the classroom of the students. They will share their experiential knowledge with students to motivate them and ignite the desire to fare well.

This program aims at holistic development of students, so it provides student to participate in various competitions like Singing, Dancing, Painting, Speech Competition and many more. They will also get the chance to exhibit their talents in various sports competitions to be held.

This program also offers the students to win two titles Miss. Fresher and Mister. Fresher based on their overall performance in the program (Attendance, Participation and merit in events of the program).

The schedule of the Induction program is hereby attached for Information.

Note:

Attending this program is Mandatory for all first year students.

Only the students certified will be able to receive benefits of TEQIP activities in future like Internships, Industrial visits, workshops in IITs etc.

Schedule for Induction Program 2019-20

Date	Batch	Session	Timings	Topic
