Request-Reg.

Dear Prof. K. P, Singh,

Greetings from Mahatma Gandhi National Council of Rural Education (MGNCRE), Department of Higher Education, Ministry of Education, Government of India!

As you are aware, Education is ever-changing and there is a need for teachers who can adapt to the rapidly evolving learning environment. MGNCRE is the forerunner for various path breaking activities including propelling **Vocational Education** (Productive Work with Economic Value), **Nai Talim** and **Experiential Learning** (VENTEL) activities. VENTEL includes Gandhiji's Nai Talim Curriculum which focuses on understanding Experiential Learning and its impact on **three Hs (Head, Heart and Hand)** by participating in Experiential Learning activities. The methodology helps in devising contextually suitable engagement activities for the student teacher; identifying aspects relevant to local community engagement in teacher education; and exploring models of art, craft for **entrepreneurship and for self-reliance**. Participants can reflect critically, modify perspectives on how experiential learning/work education will help make students lifelong learners. The purpose of education is well realized through experiential learning. The guiding principle of Nai Talim is **"Education and work cannot be separated and without work, research, contribution, creative and critical thinking skills, we cannot create new knowledge."**

In the current changed scenario, we have adopted the method of conducting **Online Workshops on VENTEL Action Plan** (Schedule Enclosed). In this context, we request you to kindly direct the Principals and Faculty Members of all **Colleges of Teacher Education** affiliated to Mahatma Jyotiba Phule Rohilkhand University, Bareilly, Uttar Pradesh to participate in our Online Workshop on VENTEL Action Plan, the dates and timings of which are listed below.
