## INSTITUTIONS SAHIYAR, GRAM SHREE

*"Striving for excellence is a journey, not a destination."*

## FROM THE DESK OF VICE-CHANCELLOR

It is with profound pride that I present the distinguished chronicle of our university's accomplishments, embodying our unwavering commitment to academic pre-eminence, pioneering research, and profound societal influence. The year has been nothing short of transformative, characterized by landmark achievements that highlight our institutional integrity and our persistent dedication to fostering a dynamic and intellectually enriching educational milieu.

Our recent accreditation by the NAAC with an A++ grade and an outstanding score of 3.6 exemplifies our unyielding commitment to academic excellence. This recognition reaffirms our stature as a premier institution in the national higher education landscape, fostering further avenues for innovation and expansion. Moreover, attaining Category-I status from the University Grants Commission marks a pivotal milestone, unlocking significant prospects for institutional advancement. Our distinguished placement within the 51-100 band among state universities and 101-125 in the Pharmacy category across the nation in the latest NIRF rankings reflects our steadfast commitment to harmonizing academic rigor with comprehensive development. We are proud to announce our institution's achievements in various rankings: 3rd at the state level and 34th nationally in India Today's 2024 ranking, 3rd at the state level and 163rd nationally in the Scimago Institutions Ranking 2024, and 1,018th globally in the Global University Ranking 2024. Through strategic participation in various ranking initiatives, we continue to enhance our prestige both nationally and internationally.

A transformative opportunity has unfolded through the generous Rs.100 crore grant under the PMUSHA project from the Central Government, empowering us to invest in state-of-the-art infrastructure and pioneering educational initiatives, thereby fostering a forward-thinking approach to learning. The strategic adoption of the Samarth portal signifies a major leap towards the modernization of our administrative processes, ensuring seamless service delivery for all stakeholders. Moreover, the establishment of the Academic Bank of Credits heralds a significant paradigm shift, enabling greater flexibility in credit transfer and enriching our students' academic journey.

Aligned with the ethos of Education 5.0, we are committed to crafting a transformative learning ecosystem integrating advanced technologies, interdisciplinary collaboration, and experiential learning, supported by state-of-the-art facilities like an ultra-modern multimedia centre, e-library, online assessments, and smart learning resources. As we prepare our graduates to navigate and contribute to an increasingly complex world, the Directorate of Open Distance Learning will play a pivotal role in broadening our reach, catering to diverse learners, and expanding our societal impact. Our collaborations with distinguished international institutions, including the University of Massachusetts Amherst and Sumy State University, highlight our global aspirations and dedication to fostering academic partnerships. These alliances not only enrich our curricula but also catalyse groundbreaking research and cross-cultural exchanges, enhancing the overall academic experience for our students and faculty.

Over the past two years, our faculty have secured an unprecedented number of R&D projects and Centre of Excellence initiatives, collectively valued worth crores of rupees accomplishment that underscores their extraordinary commitment to research innovation and propels us to the forefront of knowledge creation. Their dedication enhances our academic stature and significantly contributes to societal advancement.

As we look to the future, I encourage each of you to seize the myriad opportunities before us. Together, let

us continue to champion excellence, foster innovation, and leave an enduring impact on society. Our university is not just an institution of learning; it is a beacon of transformation, rooted in the rich heritage of the Indian Knowledge System, and a symbol of hope for our community and beyond.

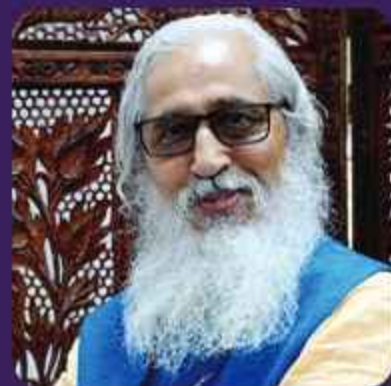

Thank you for your unwavering dedication and commitment to realizing our shared vision.

## FROM THE EDITOR'S PEN

We are at the fag end of the calendar year 2024 but not without accolades and achievements in our university. This year brought in laurels for us in several ways than one. It gives me immense pleasure to acknowledge the fact that MJP Rohilkhand University received Category-I status by University Grants Commission, New Delhi.

Whereas in NIRF ranking, the university has been able to secure a position in the rank band 51-100 amongst the state universities and overall rank in the rank band 101-125 in Pharmacy category. This being just the beginning, there are several other rankings in which MJP Rohilkhand University has stood the test of time and emerged on top. We can also proudly announce our presence on the international platform with more than ten collaborations with state of the art universities abroad.

We are now at par with some of the best rated A++ grading institutions in India. This has been possible only because of the farsighted leadership of the Hon'ble Vice Chancellor Shri K.P. Singh. He has led us towards goal oriented academic and research outcomes aiming towards perfection and excellence.

At MJPRU we are constantly working towards breakthrough and holistic development of the university. We have the

honour of bagging three international MOUs signed with Nepal and Bhutan in this academic session.

I extend my heartfelt gratitude to our Hon'ble Vice Chancellor for being a stalwart in directing the progress of the university thereby creating a classic example for others to look upto. The dedication and support of the staff and faculty members has been commendable in the pursuit of development and taking the university to newer heights.

This report covers the vast expanse of progress in the last academic session, new courses added, and upcoming projects to be included in the forthcoming session.

I acknowledge my sincere thanks to all the Deans, HODs, Finance Officer, Registrar, Assistant Registrar and my colleagues from various departments in extending their cooperation by way of several inputs in the preparation of this report.

Even though all efforts have been made to cover each and every detail for this report, nevertheless I take accountability for any inconsistency or gaps which are solely inadvertent.

अर्द्ध शा. पत्र. 91-1/2024 (एसयू-1)

दिनांक: 30th April 2024/ 10 वैशाख 1946

**विषय-** विश्वविद्यालय अनुदान आयोग [ग्रेडेड स्वायत्तता प्रदान करने के लिए विश्वविद्यालयों (केवल) का श्रेणीकरण] विनियम, 2018 के अंतर्गत विश्वविद्यालय का श्रेणीकरण।

प्रिय महोदय,

जैसा कि आप अवगत हैं कि विश्वविद्यालय अनुदान आयोग को देश में उच्चतर शिक्षा के मानकों का निर्धारण, प्रोन्नयन और अभूषण का अर्पण दिया गया है। विश्वविद्यालय अनुदान आयोग सुसंगत वातावरण सृजित करने के लिए लगातार प्रयासरत है ताकि देश में उच्चतर शिक्षा संस्थान वैश्विक उत्कृष्टता के संस्थान बन सकें। विश्वविद्यालय अनुदान आयोग इस बात से भी अवगत है कि उच्चतर शिक्षा में उत्कृष्टता को बढ़ावा देने और उसके संस्थानीकरण के लिए बेहतर-प्रदर्शन करने वाले संस्थानों को स्वायत्तता प्रदान करके वैश्विक उत्कृष्टता प्राप्त की जा सकती है।

विश्वविद्यालय अनुदान आयोग ने उन्नत-प्रदर्शन करने वाले संस्थानों को स्वायत्तता प्रदान करने हेतु भारत के राजपत्र में 12 फरवरी 2018 को विश्वविद्यालय अनुदान आयोग [ग्रेडेड स्वायत्तता प्रदान करने के लिए विश्वविद्यालयों (केवल) का श्रेणीकरण] विनियम, 2018 अधिसूचित किया है।

उपरोक्त विनियमों के अंतर्गत, विश्वविद्यालय अनुदान आयोग द्वारा 16 अप्रैल 2024 को आयोजित अपनी 579वीं बैठक में महात्मा ज्योतिबा फुले रोहिलखंड विश्वविद्यालय, बरेली, उत्तर प्रदेश से प्राप्त प्रस्ताव की समीक्षा, अग्रगमन और विचार किया गया है। आयोग ने उपरोक्त विनियमों के अनुसार महात्मा ज्योतिबा फुले रोहिलखंड विश्वविद्यालय, बरेली, उत्तर प्रदेश को श्रेणी-1 विश्वविद्यालय का स्तर की स्वायत्तता प्रदान करने का निर्णय लिया है। विश्वविद्यालय अब इन विनियमों के खंड 4, अर्थात् श्रेणी-1 विश्वविद्यालयों के लिए स्वायत्तता के आयाम के अंतर्गत निर्धारित सभी हितलाभों के लिए पात्र होगा।

तथापि, विश्वविद्यालय, विश्वविद्यालय अनुदान आयोग [ग्रेडेड स्वायत्तता प्रदान करने के लिए विश्वविद्यालयों (केवल) का श्रेणीकरण] विनियम, 2018 के विनियम 6 के अनुसार लागू किए जा रहे हितलाभों और अपनी परिवर्तित स्थिति के बारे में सूचित करेगा।

D.O. No. 91-1/2024 (SU-1)

30th April 2024/ 10 वैशाख 1946

Subject: Categorisation of the University under UGC [Categorisation of Universities (only) for Grant of Graded Autonomy] Regulations, 2018.

Dear Sir,

As you are aware, UGC is mandated to determine, promote and maintain the standards of higher education in the country. UGC is constantly striving to create an enabling environment whereby higher education institutions in the country can become institutions of global excellence. UGC is also aware that global excellence can be achieved by extending autonomy to better-performing institutions for promoting and institutionalizing excellence in higher education.

In order to grant autonomy to the better-performing institutions, UGC has notified UGC [Categorisation of Universities (only) for grant of Graded Autonomy] Regulations, 2018 on 12<sup>th</sup> February 2018 in the Gazette of India.

Under the above Regulations, the proposal received from **Mahatma Jyotiba Phule Rohilkhand University, Bareilly, Uttar Pradesh** has been examined, processed and considered by the Commission in its 579<sup>th</sup> Commission meeting held on 16<sup>th</sup> April 2024. The Commission has decided to grade **Mahatma Jyotiba Phule Rohilkhand University, Bareilly, Uttar Pradesh as a Category-I University** as per the above Regulations. The University shall now be eligible for all the benefits as stipulated under Clause 4, i.e., Dimensions of Autonomy for Category-I Universities, of these Regulations.

However, the University shall inform the Commission about the benefits being implemented and its changed status, as applicable, in accordance with Regulation 6 of the UGC [Categorisation of Universities (only) for Grant of Graded Autonomy] Regulations, 2018.

With regards,

Yours sincerely,

(Manish Joshi)

## DEPARTMENT OF APPLIED CHEMISTRY

1. Year of Establishment : 1995
2. Name of Faculty : Faculty of Engineering & Technology
3. Programs Offered:

S. N.	Name of Program	Intake	Fee per year
1.	B.Tech. and Diploma programs (sharing work load of Chemistry Subjects in B. Tech. I Yr., II. and IV Yr. and Diploma Program in I Year)	60 +6(EWS) in each branch	Rs. 75,000/= per annum
2.	M. Sc. (Chemistry)	30+3(EWS)	Rs. 25,000/= per annum
3.	Ph.D.	As per UGC norms	As prescribed by university

4. Research Thrust Area: Asymmetric Synthesis, Heterocyclic chemistry, Synthesis of bioactive compounds, Transition metal complexes, Nano composites and their role in drug delivery, Nano materials in cosmetics,
5. On going projects during 2023-24: Centre of Excellence from State Government
6. Department Achievements during 2023-24 : Publications in Journals -09, Conference -09

# DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

1. Year of Establishment: 1996
2. Name of Faculty : (i) Prof. S. K Tomar (ii) Prof. Manish Rai (iii) Dr. Hari Kumar Singh (iv) Dr. Chhavi Sharma (v) Dr. Janak Kapoor (vi) Dr. Sumit Srivastava (vii) Dr. Inderpreet Kaur
3. Programmes Offered : (i) B.Tech in Electronics & Communication Engineering, (ii) MTech+ PhD integrated Programme (iii) PhD Programme (iv) Diploma in Electronics and Communication Engineering

S. N.	Name of Program	Intake	Fee per year
1.	B. TECH.	60+6	Rs.75,150
2.	M. TECH.-Ph.D. Integrated	20	Rs. 1,00,000
3.	Regular Ph.D./Part Time	As per the Availability of seats under Supervisor	Rs. 25, 000 (For regular students) & Rs. 1,00,000 (for Part time)
4.	Diploma in Electronics & Communication Engineering	60	Rs. 30000

4. Research Thrust Area: The research thrust areas include VLSI design, antenna design, RF and microwave, optical wireless communication, digital image processing, artificial intelligence and machine learning, microstrip antenna designing, sensors, IoT, and blockchain technology, reflecting a broad focus on advanced Electronics & Communication and Technology solutions.

5. Ongoing projects during 2023-24: 4

Name of faculty	Agency	Grant Received	Project title
Dr. Hari Kumar Singh	Science and Engineering Research Board, New Delhi	29.99 Lacs	Monitoring of Sustainable Agriculture of Small Farms Wielding Image Processing Integrating with Sensor Antenna and Machine Learning for Improving Socio-Economic Status of Farmers
Dr. Chhavi Sharma	Department of Higher Education, Government of Uttar Pradesh, Lucknow	1.77 Lacs	Empowering India's Villages: Bridging the Connectivity Gap with MIMO VLC Technology
Dr. Janak Kapoor	Department of Higher Education, Government of Uttar Pradesh, Lucknow	2.45 Lacs	Investigation on cultivation of noise absorbing plants/Vegetation for Noise Pollution control on road side Pavements/ Roade dividers
Dr. Sumit Srivastava	Department of Higher Education, Government of Uttar Pradesh, Lucknow	1.21 Lacs	Development of a Novel technique for Detection and Estimation of Hazardous gases with higher accuracy Using Artificial Intelligence

6. Department Achievements During 2023-24:

➔ Publications: 13, Patents -12

7. Faculty achievements during 2023-24

- ➔ Dr. Hari Kumar Singh has published two research papers in international journals, contributed three chapters in Scopus-indexed books, and has received grant of one research project. He has filed 5 patents and co-authored one book.
- ➔ Dr. Chhavi Sharma has published two research papers in Scopus-indexed journals, contributed three chapters in Scopus-indexed books, and has received grant of one research project. She is honored with the Dr. Sarvepalli Radhakrishnan Outstanding Academician Award 2024 in Electronics & Communication Engineering. Additionally, she has filed three patents and co-authored one book. One of her research papers is accepted and presented also in the conference held at Singapore on 28-29 December 2023.
- ➔ Dr. Sumit Srivastava was shortlisted in the top 2% of scientists worldwide by Stanford University, California. He has been granted three international patents and has published five research papers in high-impact SCI-indexed journals. Additionally, one of his research papers has been accepted for presentation at the ATNT 2024 International Conference in Malaysia.
- ➔ Dr. Janak Kapoor published one research paper in international journal, has received grant of one research project. He has filed one patent.
- ➔ Dr. Inderpreet Kaur Inderpreet Kaur has made significant contributions in her field with 3 patents, highlighting her innovation. She has published 2 Scopus-indexed research papers and authored 3 books, Additionally, she has presented her work at 4 international conferences.

1. Name of the Department : Applied Mathematics
2. Year of establishment : 1995
3. Faculty : Engineering and Technology
4. Programs offered:

S. N.	Name of Program	Intake	Fee per year
1	M.Sc.(Mathematics) I year	50	Rs. 16,000/-
2	M.Sc.(Mathematics) II year	50	Rs. 16,000/-

5. Research thrust areas: Magneto hydrodynamics, Bio-fluid Dynamics, Mathematical modeling, Control system of Robotics.
6. Ongoing Research projects (2023-24): 02

Name of faculty	Agency	Grant [RS.]	Project Title
Prof. Madan Lal	U.P. State Govt.	Rs. 5 lakhs	A comprehensive analysis of blood based carbon nanotubes under magneto hydrodynamics
Prof. Naveen Kumar	U.P. State Govt.	Rs. 2.09 lakhs	Mathematical Modeling, Design, Analysis and Simulation of High precise Control Algorithms for Robotic Systems

7. Faculty Achievements:
  - No. of Publications: Research Papers: 18 Chapters in Edited Books: 03
  - A. Invited Talks: 02
    - i. Delivered an invited talk by Prof. Madan Lal on "MATHEMATICS IN ACTION, APPLICATION OF MATHEMATICS" in the International Conference on "Frontiers in Pure and Applied Science (FPAS-24) on 5th April, 2024 organised by Khandelwal College of Management, Science and Technology, Bareilly.

ii. Delivered an invited talk by Prof. Madan Lal on “MASTERING MATHEMATICS STRATEGIES FOR SOLVING QUESTION PAPERS” in the International Conference on 25th May, 2024 organised by Lotus Institute of Management and Technology, Bareill

# DEPARTMENT OF BUSINESS ADMINISTRATION

1. Year of Establishment : 1986-87
2. Name of Faculty : Faculty of Management
3. Programmes Offered : MBA, MBA (part time), MBA (executive), BMS, Ph.D. , D.Litt.

S. N.	Name of Program	Intake	Fee per year
1	MBA	60+6	50000/-
2	MBA (Marketing)	60+6	50000/-
3	MBA (Executive)	60+6	50000/-
4	BMS	60+6	50000/-

4. Research thrust areas: Finance & Accounting, Human Resource, Marketing, Production & Operations, Information Technology, International Business, Corporate Social Responsibility
5. On-going projects:
  - Prof. Sanjay Mishra "Entrepreneurship Development Through Capacity Building And Experiential Learning Among Budding Professionals"Rs.3,10,000,Deptt. Of Higher Education, UP Govt.
  - Prof. Tulika Saxena, "Creation And Sustainable Development Of Start Up Hub In Rohilkhand Region", Rs.2,00,000,Deptt. Of Higher Education, UP Govt.
  - Prof. Sanjay Mishra,"First Generation Higher Education Students Of Hospitality Management: How Do They Break The Intergenerational Cycle"Rs.1,19,000,Deptt. Of Higher Education, UP Govt.
6. Department Achievements during 2023-24
  - Launch of MBA (Executive) 2 Year Programme
  - Outstanding placements
  - MBA (Marketing) Programme is running with Dual Specialization

- 100 % seats filled in all PG Courses in the Department of Business administration
  - 5 MOUs are initiated by the Faculty of Management among which 3 are International (Nepal & Bhutan) and 2 are National
  - More than 40 events organized by the Faculty of Management including value added series, workshops, seminars conferences, FDP, Round Table Conference, etc. Among which One international Conference was organized in Bhutan (under aegis of Royal University of Bhutan) and One Workshop in Collaboration with Indo- Gulf Management Association, UAE.
  - Publication of Newsletter and Magazine

## DIRECTORATE OF RESEARCH (DOR)

### INTRODUCTION

The Directorate of Research (DoR) was established by the Executive Council in its meeting dated 8th December 2020, with the primary objective of creating an enabling environment within the university and its affiliated colleges to foster a robust research culture. This establishment is a significant step towards realizing the vision of our present Vice-Chancellor, **Prof. K. P. Singh**, who has been instrumental in advocating for a strong research foundation. Under Prof. Singh's leadership, the DoR aims to provide an efficient and effective support system that facilitates faculty members and researchers in their academic pursuits. The Directorate is dedicated to ensuring the timely completion of research degrees and the successful execution of externally funded research and consultancy projects. By fostering a collaborative and resource-rich environment, the DoR is committed to driving innovation, enhancing academic excellence, and contributing to the broader research community.

### VISION

To promote and nurture research and development activities of international standards.

### MISSION

To facilitate and contribute to research activities in several disciplines and improving output in terms of project grants, research innovation, intellectual property and publications.

### OBJECTIVES

- To create an enabling environment in the university and its affiliated colleges to foster a healthy research culture.
- To provide an efficient and effective support system to facilitate faculty members and researchers in their research activities and timely completion of their research degree or externally funded research/consultancy projects.
- To motivate researchers for publication of their research output in quality journals, indexed in Scopus/SCIE with good impact factor (IF).
- To create an environment for undertaking multidisciplinary research with the potential for commercialization.
- To guide faculty members and research students for funding opportunities for their research work from various government agencies and industries.
- To ensure the compliance of all researchers to the research quality assurance framework, the research code, and all the applicable rules and regulations as per university, UGC, state government, and university research ordinance.

### DIRECTORS OF DOR

Professor Sudhir Kumar	Director
Professor Upendra Kumar	Additional Director
Professor Bhola Khan	Additional Director
Dr. Brajesh Kumar	Associate Director
Dr. Lalit Kumar Pandey	Assistant Director
Dr. Bishun Kumar	Assistant Director
Dr. Chhavi Sharma	Assistant Director

## DOR ACHIEVEMENTS DURING 2023-24

### ENROLLMENT STATISTICS

During the academic year 2023-24, the Directorate of Research successfully enrolled a total of **124 Ph.D. students** across various disciplines. Among these, **11 are international students**, demonstrating the global appeal and recognition of the university's research programs. This diverse cohort contributes to a rich academic environment and underscores the university's commitment to fostering an inclusive research culture.

### TOTAL NO. OF PHD'S AWARDED DURING 2023-24

From 1st July 2023 to 30th June 2024, a total of **187** candidates were awarded Ph.D. degrees across various disciplines. This significant achievement reflects the dedication of both the students and the faculty, as well as the effective support provided by the Directorate of Research. The successful completion of these doctoral programs highlights the university's strong commitment to academic excellence and research development.

### ENROLLMENT IN SCHOLARSHIP SCHEMES

During the academic year, a total of **387** students were enrolled in various prestigious scholarship and fellowship schemes. This diverse participation in scholarship schemes underscores the Directorate's commitment to supporting students from various backgrounds and ensuring they have the financial resources necessary to pursue advanced research. The distribution of these students across different schemes is as follows:

TOTAL NO. OF STUDENTS ENROLLED IN VARIOUS SCHOLARSHIP SCHEMES

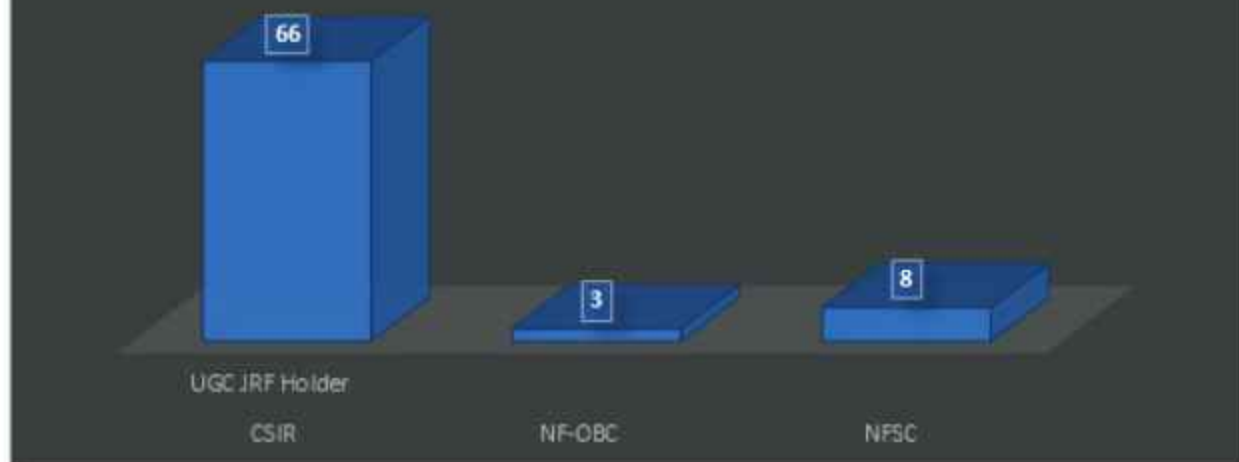

CSIR	UGC JRF Holder	NF-OBC	NFSC	MANF	SJSGC	RGNF	DS KOTHARI	Total No. of Fellowship Holder
7	289	16	45	11	1	17	1	387

TOTAL NO. OF STUDENTS ENROLLED IN VARIOUS SCHOLARSHIP SCHEMES DURING 2023-24

CSIR	UGC JRF Holder	NF-OBC	NFSC	Total No. of Fellowship Holder
66	03	08	77	

### Total Scholarship Holders During 2023-24

- Total no. of students Upgraded from JRF to SRF Upgradation: 55
- DOR has initiated credit transfer first time in the University History of last 49 Years and 24 students of Aries Nainital and one student of BCB have been benefited.
- Prof Sudhir Kumar awarded Senior Scientist Visiting fellowship by Govt of France to work at University of Rennes
- 5 faculty members have received International Travel Grant from DOR during 2023-24 for participation in International conferences and research paper presentation.

#### PROJECT DETAILS DURING 2023-24

The Directorate of Research facilitated numerous research projects during the academic year 2023-24. These projects, funded by various national and international agencies, have significantly contributed to advancing knowledge and innovation across different fields. Below is a summary of the key projects:

Sr. No.	Title of Project	Department	Funding Agency	Amount	Name of PI	Date
1	Empowering India's Villages: Bridging the Connectivity Gap with MIMO VLC Technology	Electronics and Communication Engineering	UP Government	1,77,000.00	Dr. Chhavi Sharma	6/4/2024
2.	Design and Development of Low-Cost Wearable Antenna For Microwave Imaging Health Care System	Electronics and Instrumentation Engineering	UP Government	2,70,000.00	Dr. Deepak Kumar Gangwaar	6/4/2024

Sr. No.	Title of Project	Department	Funding Agency	Amount	Name of PI	Date
3	Design and Development of Metamaterial based Microstrip Patch Antennas (MPAs) for sixth Generation(6G) Wireless Communication at Extreme Urban Capacity Spectrum(720 GHz)	Electronics and Instrumentation Engineering	UP Government	1,15,000.00	Dr. Reena Pant	6/4/2024
4.	Modeling and control of Multi Link Pendulum system	Electronics and Instrumentation Engineering	UP Government	350,000.00	Dr. Mukul Kumar Gupta	6/4/2024
5.	Development of Novel Technique for Detection and Estimation of Hazardous gasses with higher accuracy Using Artificial Intelligence and Machine Learning	Electronics and Communication Engineering	UP Government	1,21,000.00	Mr. Sumit Srivastava	6/4/2024
6	Mathematical Modeling, Design, Analysis and Simulation of High Precise Control Algorithms For Robotic System	Applied Mathematics	UP Government	2,09,000.00	Prof. Naveen Kumar	6/4/2024
7	Income Inequality Human Capital, Natural Resources Abundance and Ecological Footprint in BRICS countries	Regional Economics	UP Government	80,000.00	Prof. Ajeet Singh	6/4/2024
8	Exploring Lipid-Based Formulations Strategies for solubiulity Enhancement of Poorly Aqueous Soluble Drugs	Pharmacy	UP Government	3,30,000.00	Dr. Saurabh Mishra	6/4/2024
9	Automated wireless sensor Enabled Barrier Erection for Enhanced saFETY AND Efficiency in Traction system with socio-Tech Impact	Electrical Engineering	UP Government	215,000.00	Dr. Atul Sarojwal	6/4/2024

Sr. No.	Title of Project	Department	Funding Agency	Amount	Name of PI	Date
10	Investigation on cultivation of noise absorbing plants/ Vegetation for Noise Pollution control on road side Pavements/ Roade dividers.	Electronics and Communication Engineering	UP Government	245,000.00	Dr. Janak Kapoor	6/4/2024
11	Mathematical Self-efficacy and Anxiety in Basis School Students: An Assessment study of UP Government's 'Mission Prerna- The Foundational Literacy&Numeracy Program'	Education	UP Government	60,500.00	Dr. Minakshi Dwivedi	6/4/2024
12	A Study of Health Status and Organization role Stress among Women Teachers	B.ED/M.ED	UP Government	202,500.00	Prof. Santosh Arora	6/4/2024
13	Monitoring of sustainable agriculture of small farms wielding image processing integrating with sensor Antenna and Machine Learning for improving socio economic status of farmers	Electronics and Communication Engineering	SERB-SURE	29,99,960.00	Dr. Hari Kumar Singh	11/1/2024
14	Hyimc: A python -based soft ware package for hyperspectral image classification using deep learning frame works	CSIT	SERB-SURE	27,16,160.00	Dr. Brajesh Kumar	22/09/2023
15.	Development of Machine Learning Techniques for Based Model for NEP to identify Patterns of vocational/ minor course in Higher Education	CSIT	Innovative Research Grant (IRG) MJP Rohilkhand University	5,00000.00	Dr. Iram Naim	25/11/2023
16.	Drone and IoT Based Output Monitoring System and Maintenance of Roof Top and Isolated Ground Solar Panels	Electrical Engineering	Innovative Research Grant (IRG) MJP Rohilkhand University	5,00000.00	Dr. Atul Sarojwal	25/11/2023

Sr. No.	Title of Project	Department	Funding Agency	Amount	Name of PI	Date

25.	Securing the Pharmaceutical Supply Chain using Blockchain : Mitigating Counterfeit Drugs and Optimizing Supply-Demand Dynamics in the Drug Industry for Public Health	CSIT	UP State Council of Higher Education (Centre of Excellence)	3,85,000.00	Prof Vinay Rishiwal, Deptt of CSIT	23/09/2024
26.	Strategies for Aquaculture in Stressed Environment	Animal Science	UP State Council of Higher Education (Centre of Excellence)	4,80,000.00	Dr Abha Trivedi, Deptt of Animal Science	23/09/2024
27.	Design of an Innovative AI and IoT-Based Framework for Livestock/Stray Animal Surveillance and Health Monitoring in India" (Project ID 3371)	CSIT	CSTUP	12,18,000.00	Dr. Preeti Yadav	09/08/2024
28.	Electron-Phonon Coupling Effects on Thermoelectric Performance of High Entropy Alloys Based on Heusler Compounds: First-principles Insight	Applied Physics	SERB	30,08,192.00	Prof. Sudhir Kumar	31/05/2024
29.	Dosage form Design and Development for poorly aqueous soluble Drugs to enhance solubility and bioavailability	Pharmacy	U.P. State Council of Higher Education (Center of Excellence)	940,000.00	Dr. Saurabh Mishra	23/09/2024

## DOR ACHIEVEMENTS DURING LAST 5 YEARS

Over the last five years, the Directorate of Research (DoR) at M.J.P. Rohilkhand University (MJPRU) has made significant strides in fostering a vibrant research culture. Established in December 2020, the DOR has focused on creating a supportive environment for both faculty and researchers. Under the guidance of Vice-Chancellor Prof. K.P. Singh, the DoR has implemented systems that support research projects, timely Ph.D. completions, and collaborations for externally funded research.

### SOME OF THE KEY ACHIEVEMENTS INCLUDE

- **Establishment of Research Divisions:** The DoR has set up specialized divisions such as the Scholarship Division, Research Project Division, Shodhganga Division (for digital thesis archiving), and Ph.D. Division. These divisions aim to streamline and enhance the research process for scholars.
- **Support for Ph.D. Scholars:** The Directorate has facilitated numerous Ph.D. admissions through structured processes such as the Research Entrance Test (RET) and direct JRF admissions. New research supervisors have been added in various fields, expanding the scope of research guidance.
- **Research Projects and Innovation:** DOR has actively encouraged innovation and research collaborations, making it easier for faculty and students to participate in externally funded projects as well as internally funded projects under Innovation Research Grant (IRG) Scheme.

## VARIOUS WORKSHOPS/ TRAINING PROGRAMS AND EXPERT LECTURES ORGANIZED BY DOR DURING 2023-24

During the 2023-24 academic year, the Directorate of Research actively organized a variety of workshops, training programs, and expert lectures aimed at enhancing research skills, promoting knowledge exchange, and fostering a collaborative academic environment. Below is an overview of these initiatives:

### ORIENTATION PROGRAM ORGANIZED

On 22.12.2023, the Directorate of Research (DOR) organized an Orientation Program for new research scholars. The event aimed to introduce the participants to the various aspects of research activities, institutional resources, and opportunities available within the Directorate of Research. The orientation was attended by a diverse group of participants, including newly inducted faculty members, research scholars, and administrative staff. The program was inaugurated by Hon'ble Vice Chancellor Prof. K.P. Singh. All Directors of the DOR were present, further emphasizing the importance of this program. The primary objectives of the orientation were to familiarize new members with the research infrastructure and resources available and to introduce the roles and responsibilities of researchers within the institution.

### SCOPUS WORKSHOP

For promoting and developing world class research environment at MJPRU and its affiliated colleges, Scopus database (abstract and citation database; Elsevier) subscription was purchased. To aware faculties and students of MJPRU and its affiliated colleges about this database an online workshop (Dr. Subhra Dutta as an expert from Elsevier) was organized by Directorate of Research (DoR) dated 24.01.24. A total of 120 plus participants, including researchers, faculty members, and students, attended the session.

## **2 DAYS WORKSHOP ON NIMBUS**

The Directorate of Research successfully organized an online workshop on the NIMBUS platform on 06.02.24 - 07.02.24. The workshop aimed to provide participants with an in-depth understanding of the NIMBUS system, focusing on its integration with the library dashboard and its potential applications in research management. A total of 66 participants, including researchers, faculty members, and students, attended the session.

## **WEB OF SCIENCE (WOS) WORKSHOP**

For promoting and developing world class research environment at MJPRU and its affiliated colleges, Web of Science (WoS) database (reference and citation database; Clarivate) subscription was purchased. To aware faculties and students of MJPRU and its affiliated colleges about this globally recognized database an online workshop (Dr. Subhasree Nag as an expert from Web of Science) was organized by Directorate of Research (DoR) dated 12.02.24. ## CENTRE OF EXCELLENCE FOR WOMEN STUDIES

### INTRODUCTION

The Centre of Excellence for Women Studies (COEWS) has been established under the aegis of New Education Policy 2020 and approved by the Executive Council held on 08.12.2020 resolution no. 06.02 sub clause 06.02.4. This centre focuses on highlighting the contribution of women in socio- economic development and nation building. It empowers girls/ women as agents of social change. COEWS promotes interdisciplinary areas of formal and informal education and skill development which will enhance the place of women in contemporary society. Exposing the camouflaged notions of conventional society, striking hard inequality, discriminatory treatment and gender bias, this centre is designated to strengthen women.

### OBJECTIVES

- To generate new knowledge in viable form in local and global perspectives.
- To undertake and promote researches in gender studies and women empowerment.
- To collaborate with local, State and central government, academic institutions, NGO, grass- root organizations for activities related to development of women.
- To provide advisory and consultancy services on gender issues.
- To organize training programs and workshops for teachers and students, local governing bodies, administrators, Anganwadi workers, Asha workers, Self Help Group and other grass root workers, and members of women's organizations.

## **CENTRE OF EXCELLENCE FOR MULTILINGUAL STUDIES (COEMS)**

### **INTRODUCTION**

*"A different language is a different vision of life."*

— Federico Fellini.

In current era, multilingualism has become more than just 'important'. Knowing a foreign language other than your native language has evolved to be extremely beneficial. Whether viewed from the financial or social aspect, being able to communicate in a foreign language helps to make 'real' connection with people and provides a better understanding of your language.

If you wish to promote a culture, propagate its languages. National Education Policy 2020 has now given a call to achieving this by arming our students with the ability to express their truth in different languages. National Education Policy 2020 has to be more prone to multilingual learning rather than using just Hindi or English as the medium of teaching. The world is becoming a small place and connection is the only key to survival.

In compliance with NEP 2020 a CENTRE OF EXCELLENCE FOR MULTILINGUAL STUDIES (COEMS) at the Department of Humanities, MJP Rohilkhand University, Bareilly has been established after the approval given by the Executive Council held on 08.12.2020 in resolution no. 6.02, sub clause 6.02.5.

### **OBJECTIVES**

- To create an understanding of the global nuances that boosts the employability of the students.
- To evaluate the knowledge and understanding of interpersonal and inter cultural communication.
- To analyse intellectual flexibility & creativity and provide an understanding of both written and spoken communication skills.
- To apply language-based technological applications in the areas of translation and lexicography.

## MAHATMA JYOTIBA PHULE RESEARCH AND STUDY CENTRE

### INTRODUCTION

It may be noted that the university has been named after the great social reformer, thinker, philosopher and Mahatma Jyotiba Phule who played a leading role in the field of education. The society is still unfamiliar with the contribution made by Mahatma Jyotiba Phule in the educational and social development of the nation. There seemed to be a need for the literature of Mahatma Jyotiba Phule and other great men related to him to promote awareness and research work widely in the society. Keeping this objective in mind, the University has established Mahatma Jyotiba Phule Research and Study Center in the Central Library.

### OBJECTIVES

To provide high level awareness and research work in the society at large, literature of Mahatma Jyotiba Phule and other great men related to him is also available in sufficient quantity in this research centre. Today, M.Ed./Ph.D. programs are conducted on a large scale in Mahatma Jyotiba Phule Research and Study Centre.

## INSTITUTIONAL DEVELOPMENT, PLANNING & RANKING CELL

### INTRODUCTION

The Institutional Development, Planning & Ranking Cell has been established to develop strategic plans that will directly support to achievement of the vision of the National Education Policy (NEP)- 2020. IDP & Ranking cell focuses on making a strategic plan for securing higher ranking in the National Institute Ranking Framework (NIRF) and similar other ranking, apart from it, to align student recruitment, academic outreach, and retention activities to enhance access, inclusiveness, and student success. It also works for the brand enhancement of the Mahatma Jyotiba Phule Rohilkhand University, Bareilly.

### OBJECTIVES

- To develop a centralized data repository system that will facilitate participation in ranking and accreditation activities.
- Examine policies and procedures for effective management, planning, budgeting, and assessing pedagogical practices.
- To assess the “gap” between the institution’s status and the specific feature of the vision.
- To conduct a SWOT (Strength, Weakness, Opportunity, and Threats) analysis to use as a framework for the environmental scan. The procedure allows planners to support the gap analysis with additional information about what actions need to be taken in the strategy.

## TEACHER'S RESKILLING CELL

### INTRODUCTION

It is said that no people can rise above the level of its teachers" (NPE, 1986); and "the teacher must be at the centre of the fundamental reforms in the education system" (NEP, 2020). Given such an important role to a teacher for the nation and in the education system, it becomes all the more important to strengthen and refresh the skill base of teachers on a continuous basis. In higher education system, skill training avenues of professors, whether experienced or new entrants to the teaching profession, are quite few. In this pretext, the establishment of Teachers' Reskilling Cell in the MJP Rohilkhand University on 21st May, 2021 is a welcome step.

### OBJECTIVES

- To prepare annual calendar of training programmes for teachers' training.
- To organize teachers' training programmes.
- To aware teachers toward various types of regional, national and international training programmes.
- To aware teachers toward teaching techniques to be used in future.

## CENTRAL LIBRARY

### INTRODUCTION

With the establishment of university in 1975, an idea of a central library also emerged. But it could be actualized only after the university attained its residential character in 1985 and thus central library came into existence in a rudimentary form in the administrative block. In 1989, the then vice-chancellor Dr. B. B. Singh Bisen took an initiative to differentiate the library from other offices of the administrative block and appointed an O.S.D. especially for the library. Later on, it was decided that separate building for the library may be constructed. On 29th November, 1994 the then Chairman of UGC Prof. G. Ram Reddy laid the foundation stone of library building and on completion it was inaugurated by the then Governor and Chancellor of U.P. Shri Romesh Bhandari on 13th February, 1997. With the rapid development of the university, library needed much more space therefore the then vice-chancellor Prof. Z.H. Zaidi took necessary step in 2003 for the expansion of building. The expanded portion was completed in 2005 and was inaugurated by the then Vice President of India Shri Bhairon Singh Shekhawat on 4th February, 2005. Besides this, departmental/seminar libraries are also established in some departments viz. Faculty of Engineering and Technology, Faculty of Education and Allied Sciences, Faculty of Management, Faculty of Law, Faculty of Social Science and Faculty of Science.

## NATIONAL SERVICE SCHEME (NSS)

### INTRODUCTION

India, the land of the Ganga, Gautam and Gandhi, known as the spiritual teacher of the world, has always been glorifying inner piety, peace and perfection which can be achieved through the worship of God and service of mankind. Both the National Service Scheme (NSS) and the UNICEF are the organisations that are dedicated to the upliftment and service of the people especially women and children. After passing through various committees and conferences from 1950 onwards on the recommendations of Dr. C.D. Deshmukh, Prof. K.G. Saiyidain and Dr. D.S Kothari, the National Service Scheme was launched on September 24, 1969 by Dr. VKRV Rao, the then Education Minister of India. It was very significant that this scheme was started during the Gandhi Centenary Year as it was Gandhiji who inspired the Indian youth to participate in the movement for Indian independence and the social uplift of the down-trodden masses of the country. The Father of the Nation was of the view that "the first duty of the students should be, not to treat their period of study as one of the opportunities for indulgence in intellectual luxury, but for preparing themselves for final dedication in the service of those on whose back they were resting" He expected of the students to do "something positive so that the life of the villagers might be raised to a higher material and moral level.

### OBJECTIVES

- Understand the community in which they work;
- Understand themselves in relation to their community;
- Identify the needs and problems in the community in the solution of which they can be involved
- Develop among themselves a sense of social and civic responsibility.
- Apply their education in finding practical solution to individual and community problems
- Develop competence required for group living and sharing responsibilities;
- Gain skills in mobilising community participation;
- Acquire leadership qualities and democratic attitude;
- Develop capacity to meet emergencies and natural disasters; and
- Practice national integration.

### ACTIVITIES UNDER TAKEN (2023-2024)

The activities undertaken under the National Service Scheme (NSS) have included environment enrichment and conservation; health, family welfare and nutrition programmes: awareness creation programmes for the rights and status of women work in hospitals and welfare institutions, production oriented work like rodent control and pest management; weed control, soil testing and soil health care, promotion of co-operative societies, non-formal education, and assistance to local authorities in relief and rehabilitation work during natural calamities and national emergencies. These activities are done by an NSS unit of 100 volunteers throughout the academic session under Normal Activities programme during the prescribed period of 120 hours of social service. A student can remain a volunteer in this scheme for the maximum period of two continuous years during which he or she has to do social work for 240 hours. Some specific projects are undertaken by the units under Special Camping programme which includes 10- day Special Camps of 50 volunteers each or 50% of the total strength of students enrolled for Normal Activities programmes. While participating in these programmes the volunteers bear in mind the motto of NSS "NOT ME BUT YOU"-and a badge on his or her breast. The badge, designed after the wheel of the Konark Sun God temple, inspires the volunteers for social service all the eight prahars (eight spokes refer to eight prahars of

time), with extreme enthusiasm (red colour refers to enthusiasm), taking the whole universe for a family (blue colour indicates the universe of which N.S.S., volunteer is only a part. This scheme is jointly sponsored and supervised by the Department of Youth Affair and Sports, Ministry of Human Resource Development (now Ministry of Culture, Youth Affairs and Sports) Government of India and State Government through the NSS Regional Centre and the NSS Cell of the State Secretariate. Under the governance and guidance of the Vice-Chancellor, the Programme Co-ordinator gets the programmes organised at the college level through the Programme Officers who work with the consent and approval of their principals. From time to time the Programme Officers are trained by the Training Orientation and Research Centres (TORCS) and Training and Orientation Centres (TOCs), Empanelled Training Institutes (ETI) of the respective states and universities.

## TRAINING & PLACEMENT CELL

### INTRODUCTION

Over its academic journey, M.J.P. Rohilkhand University has undertaken numerous student-centric endeavours. Among these initiatives, the Training & Placement cell stands out prominently. The primary objective of this cell is to offer guidance to students in selecting suitable career paths while equipping them with the requisite knowledge, skills, and aptitude to fulfil the industry's workforce demands. The Placement cell not only empowers students to pursue their career aspirations but also aids employers in achieving their recruitment objectives.

### OBJECTIVES

- Career Guidance and Counselling
- Placement Assistance
- Internship and Training Opportunities
- Industry-Institute Collaboration
- Continuous Skill Development

### CONFERENCE PAPER

1. Copper induced hepatotoxicity: Cuproptosis in fresh water fish *Channa punctatus* ICAR sponsored National Symposium on Sustainable Agriculture Practices for Food Security and Environmental Conservation National 15/03/2024 to 16/03/2024
2. A novel approach to understand the Cu induced cell death/ Cuproptosis using a fish model *Channa punctatus* International Conference on Impact of Climate Change with Special reference to challenges and approaches in Applied Zoology, Biodiversity Conservation, Food and Health Security International 05/06/2024 to 07/06/2024
3. Programmed cell death pathways as a defence against cancer National Conference on Biotechnology for improving productivity held on 27th April 2024
4. Comparative molecular docking and stimulation studies of 7-chloro-1-oxo-1,4-dihydro-3-[1-oxo-2-hydrazino-3-[benzenesulfonyl]quinolone with different protein, Nishtha Saxena, Nivedita Srivastava; ID-49; Paper presented in 60th Annual Convention of Chemists, 2023; 20-21 December 2023 at IIT Delhi Campus, New Delhi.
5. Studies on recent advances in preclusion tools for water pollution, Swapnil Shankhdhar, Kavendra Kumar, Rakesh Kumar, Nishtha Saxena and Nivedita Srivastava; Page 59; Poster presented in National conference on strategies for management of bioresources (NCSMB, 26-27, March, 2023; at Department of Animal sciences, MJPRU, Bareilly-243006
6. An efficient and green microwave assisted synthesis of 6-chloro-1-ethyl-4-oxo-1,4-dihydro-3-[1-oxo-2-hydrazino-3-[benzenesulfonyl]quinolone and its use as antimicrobial compounds. Nivedita Srivastava, Swapnil Shankhdhar, Nishtha Saxena, Kavendra Kumar and Rakesh Kumar; Page 71; Paper presented in National conference on strategies for management of bioresources (NCSMB, 26-27, March, 2023; at Department of Animal sciences, MJPRU, Bareilly-243006
7. Computational study of 1-ethyl-1,4-dihydro-3-[1-oxo-2-hydrazino-3-[benzenesulfonyl]quinolone compound as antibacterial agents; Nishtha Saxena, Swapnil Shankhdhar, Kavendra Kumar, and Rakesh Kumar and Nivedita Srivastava; Page 70; Paper presented in National conference on strategies for management of bioresources (NCSMB, 26-27, March, 2023; at Department of Animal sciences, MJPRU, Bareilly-243006.
8. Synthesis and spectral data analysis of 1-Cyclopropyl-6-Fluoro-4-oxo-7-piperazinyl 1,4-dihydro-3-[1-oxo-2-hydrazino-3-[benzenesulfonyl]quinolone; Rakesh Kumar, Kavendra Kumar and Nivedita Srivastava, Page No 225; International Conference on Chemical and Biological Sciences (ICCBS-2024) organized by the
