

Department of Applied Chemistry
M. J. P. Rohilkhand University, Bareilly
NAAC Accredited: A++ Grade; Category- I University (U.G.C.)
ISO Certified: 9001:2015 & 14001:2015

M. Sc. (Chemistry): Admissions in the session 2026-27 (Open Soon)

Your Journey into the World of Chemical Sciences and Advanced Research begins here.

Why Choose MJP Rohilkhand University Campus?

- **World-Class Curriculum:** Specializations in Organic, Inorganic, and Physical Chemistry.
- **State-of-the-Art Labs:** Equipped with modern instrumentation for hands-on research.
- **Career Opportunities:** Placement support and strong industry connections.
- **Affordable Fee Structure:** High-quality education with scholarship facility through U. P. Govt. available.

Eligibility

- Bachelor's Degree (B.Sc.) with Chemistry as a major subject in final year securing a minimum of 45% aggregate marks (for SC/ST candidates only B.Sc. Pass required).
- The admissions shall be based strictly on merit of marks of Qualifying examination and following reservation as per U.P. Government norms.

How to Apply

Secure your seat in the upcoming batch:

1. Visit the official MJP Rohilkhand University portal on the given link:
2. Navigate to the *Admissions 2026-27* tab.
3. Fill out the application form, pay the registration fee, and submit.

For precise 2026 cutoff scores, fee specifics, and exact dates, always refer to the official MJP Rohilkhand University website www.mjpru.ac.in.

Turn your ambitions into Reality

- Major Projects:
1. PMLSHA
 2. ANRF-PAIR
