

MAHATMA JYOTIBA PHULE ROHILKHAND UNIVERSITY,

BAREILLY (U.P), 243006

(NAAC A++ Accreditation)

- (i) All Heads/ Deans, M.J.P. Rohilkhand University Bareilly Campus.
- (ii) All Principals/ Directors/ Secretaries/ Managers-
All Affiliated- Govt. / Added/ Self Financed/ Constituent Colleges, M.J.P.
Rohilkhand University Bareilly.

Subject: Affiliation to Indian Institute of Remote Sensing (IIRS) courses of ISRO

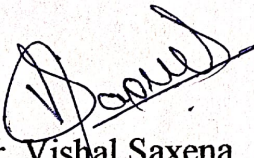

Sir,

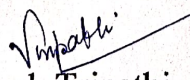

We humbly wish to inform that "India Space Week" a nodal centre of Indian Space Research Organization (ISRO), Department of Space, Govt. of India offers affiliation with their Nodal Centre to your esteemed institution, in order to execute their different programmes / courses to enhance "Space Education" in different educational institutions.

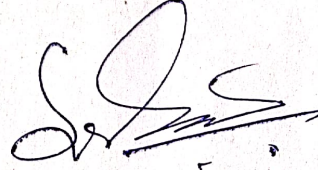

Therefore you are requested to execute it compulsorily and send the proof of the activities done by you through e mail mjpru.isw2023@gmail.com. For your convenience a brochure of the information is also enclosed herewith.

Furthermore you are requested to incorporate the appropriate online courses offered by "India Space Week" as Elective Courses in the curriculum of your department through "Board of Studies". It is applicable to relevant departments and courses.

This letter is issued in connection to the letter of special secretary, Higher Education, U.P. Govt. (Ref. 1028/70/3/2023 dated 21.04.2023), Affiliation Executive Officer, India Space Week, New Delhi (Ref. ISW/Sect-UP/115/2023 dated 06.04.2023) and M.J.P. Rohilkhand University Bareilly (Ref. RU/Acad/2023/623 dated 16.06.2023).

Dr. Vishal Saxena

Prof. M. Saleem Khan

CELEBRATION OF India Space Week

August 12-18, 2023

Organized By

India space week
A Nodal centre of IIRS (ISRO)
&
MJP, Rohilkhand University- Bareilly

About MJP Rohilkhand University

Mahatma Jyotiba Phule Rohilkhand University (MJPRU) is the prominent State University, NAAC A++ Accreditation, having dual character of affiliating and campus jurisdictions in the Rohilkhand region of Uttar Pradesh. University has total 587 affiliated colleges with massive amount of students and scholars figuring 5,56,876 during the academic session 2022-23.

About ISRO and its Recent Programmes

Indian Space Research Organization (ISRO), a major constituent of the Department of Space

(DOS), Government of India, is involved in science, engineering and technology to harvest the benefits of outer space. ISRO executes the Indian Space Programme primarily through various Centers or units within ISRO. ISRO has completed 123 Space missions, 91 Launch missions and 15 students' satellites and various launch missions of different countries.

ISRO has evolved the following programmes:

- Launch Vehicle programme having indigenous capability for launching satellites.
- INSAT Programme for telecommunications, broadcasting, meteorology and development of education etc.
- Remote Sensing Programme for application of satellite imagery for various developmental purposes.
- Research and Development in Space Sciences and Technology for serving the end of applying them for national development.

About India Space Week-2023

India Space Week (ISW) is a prime nodal institute, part of the Indian Institute of Remote Sensing (IIRS) (a unit ISRO) outreach network. As a nodal institute, ISW coordinates several online courses and webinars run by IIRS. Students can register for these courses through "ISW website from the drop-down list in the online registration form. The India space week (August 12-18) held each year on the Celebration of birth of Indian Legendary Vikram Sarabhai.

Objectives of India Space week-2023

Objective of this outreach program is to provide an opportunity for individuals to learn Remote Sensing and Geoinformation Science for the benefit of their professional career. IIRS (ISRO E-learning platform offers different courses such as Basics of Geo-computation and Geo-web services, RS, Geographical Information systems & its applications and understanding of Coastal Ocean processes using RS & Numerical Modeling, Global navigation satellite systems, RS & Digital image analysis.

Schedule of India Space Week-2023

S. No.	Date	Theme	Event	Time	Category
1.	12 Aug	Inauguration	Space awareness	15:00-16:00	Open to all
2	13 Aug	Crew Module	Colouring	14:00-17:00	Class 1 st -3 rd
3	14 Aug	GIS technology & Space/through internet	Oral Presentation	14:00-15:00	UG & PG/ Open to all
