 - Principle of fitting.
 - Common fitting problem, remedying fitting defects.

Books →

- | | | |
|-----------------------|---|---------------------------|
| 1. Natalie Bray | — | Dress Designing |
| 2. डॉ० प्रमिला वर्मा | — | वस्त्र विज्ञान एवं परिधान |
| 3. श्रीमती नीरजा यादव | — | वस्त्र विज्ञान एवं परिधान |

Research Methodology and Statistics

I (a) Definition concept and steps of research

(b) Need and Importance of Research in Home Science

II Research design and hypothesis →

- (a) Propose of Research design
- (b) Selection and limitation of Research Problem
- (c) Nature, type and function of hypothesis

II (a) Sampling and data Gathering Instruments – Definition and characteristics of sample, types of sampling probability and non probability sampling.

(b) Selection of tools for data collection – Questionnaire, Interview observation and schedule and group discussion

IV Analysis Interpretation of Analysis & Interpretation of data, Establishment of categories, Coding, Tabulation, Statistical analysis of data.

V (a) Format of the synopsis, (b) Format Project/Dissertation, (c) Format of Abstract, (d) Format of Research Paper

Books→

Kothar CR	–	Research Methodology
Sharma V M	–	शोध प्रविधि
SinghalBaijnath	–	शोध स्वरूप एवं मानक व्यवहारिक
Chandra Suresh	–	अनुसंधान स्वरूप एवं प्रविधियाँ

Theories of Human Development

- 1- Theoretical perspectives in behavior and development, Introduction, Role of Theory, Nature of behavior theory, Importance of Theories in understanding behavior.
- 2- Principals, basic concept, critique and Implication of theories psychoanalytic theories →
 - Erikson's psycho social theory
 - Psycho Sexual Theory
 - Psycho Social Theory
 - Behavioral Theory
 - Cognitive Theory

Books →

महेश भार्गव — बाल मनोविज्ञान

I- Practical

Apparel Design and Construction

1. Handling of Sewing machine
2. Sewing Techniques →
Basic seams, seam finishes, fullness, gather's pleats, darts, cuffs, tucks, placket fastener's neck line, Collars types of sleeves
3. Drafting of Adult basic bodice block/adult sleeves block and stitching of plain designer blouse and ladies kurti.

II- Practical

Survey of Women Status for Indian

M.A. II

Fourth Semester

Paper Ist

Elements of Sociology

Unit - 1

1. Sociology Meaning and Definition, nature, scope, Branches, Contents and its relation to Home Science
