

Twinning Activities (2018-19)

Academic Year 2018-19 has been eventful as lot of activities were organized for students as well as faculty. The following are the details of twinning activities during the Academic Year 2018-19.

LIST OF WORKSHOPS CONDUCTED FOR STUDENTS UNDER TWINNING PROGRAMME IN THE ACADEMIC YEAR 2018-19			
S.No	Place	Title of the programme	Date
1.	BMSCE, Bengaluru	Two days Symposium on Phase shift -2019	September 15-16, 2018
2.	BMSCE, Bengaluru	Two days Workshop on "Grid type Solar Plants Design and Advances"	October 25-26, 2018
3.	FET, MJPRU, Bareilly	Workshop on "Project Based Learning Using MATLAB AND SIMULINK"	February 15-16, 2019
4.	FET, MJPRU, Bareilly	Two days' workshop on "Multidomain System Modelling and Simulation using Modelica"	February 17-18, 2019
5.	BMSCE, Bengaluru	Two days' workshop on "Neural Networks Algorithm for Biomedical Applications"	March 18-19, 2019
6.	FET, MJPRU, Bareilly	Workshop on "Present Trends in Non-Conventional Practices in Power Engineering"	April 15-16, 2019
7.	BMSCE, Bengaluru	Workshop on "Machine learning and Artificial Intelligence"	March 23-24, 2019
8.	BMSCE, Bengaluru	Two days' workshop on "Power Electronics Circuits & Systems-Design Challenges & Issues"	March 29-30, 2019
9.	BMSCE, Bengaluru	One day national symposium on "Infrared Thermography and its Applications"	July 05, 2019

**LIST OF TRAININGS/ WORKSHOPS CONDUCTED FOR FACULTIES/STAFF UNDER
TWINNING PROGRAMME IN THE ACADEMIC YEAR 2018-19**

S.NO	Place	Title of the programme	Date
1.	BMSCE, Bengaluru	Two day workshop on "Advanced Multidomain System Modeling""	November 25-26, 2018
2.	FET MJPRU, Bareilly	FDP on "Advanced Materials Synthesis, Characterization and Processing"	February 14-16, 2019
3.	BMSCE, Bengaluru	One week FDP on "Igniting Entrepreneurial innovations in Technical Education"	March 18-22, 2019
4.	BMSCE, Bengaluru	FDP on "Data Science & Visualization"	May 28 th to June 01, 2019
5.	BMSCE, Bengaluru	FDP on "Current Research Trends in applied Physics"	June 10-14, 2019
6.	BMSCE, Bengaluru	FDP on "Wireless networks- A smart city Perspective"	June 17-21, 2019
7.	BMSCE, Bengaluru	FDP on "Data Science & Communication Networks & Security "	July 30 th to August 03, 2019
8.	BMSCE, Bengaluru	FDP on "IOT & Its Applications "	June 24 th to July 05, 2019
9.	BMSCE, Bengaluru	FDP on "Mechatronics and Artificial Intelligence"	Jul-19
10.	BMSCE, Bengaluru	FDP on "Deep dive sessions on industrial automation systems"	July 29 th to August 02, 2019
